

There are unique opportunities for companies to engage their employees during this stay at home executive order. Training has always been difficult to accomplish because of minimal resources.

Michigan companies are becoming eligible to pay their employees and get reimbursements from the government for their payroll expenses.

We offer live virtual training. Using recognized and easy to use software (Zoom) we are able to conduct real time sessions that still provide engaging, activity-based training. Materials are sent electronically.

We have prepared instructions on the use of Zoom to be sent to participants prior to training. This is to help ensure for a seamless and effective learning experience.

Multiple formats available: (i.e. 8 hours/day, 4 hours/day, 1 hour/day, etc.)
Currently we are including the following as a list of subjects:

- IATF16949:2016 Quality Management System Understanding, Internal Auditing and Lead Auditing (24 hours)
- ISO9001:2015 Quality Management System Understanding, Internal Auditing and Lead Auditing
- ISO14001:2015 Environmental Management System Understanding, Internal Auditing and Lead Auditing
- 8D/A3 Problem Solving
- 5S "OCD!" Workplace Organization & Cleanliness
- Minitab
- Core Tools:
 - Statistical Process Control
 - Measurement Systems Analysis
 - Failure Mode and Effects Analysis
 - Production Part Approval Process
 - Advanced Product Quality Planning
