Building the Future

Transition Expo

WEDNESDAY, OCTOBER 26, 2022
4:30-7:30 p.m.

OAISD Educational Services Building

(next to Careerline Tech Center)

13565 Port Sheldon Street, Holland, MI 49424

Featuring information and discussions on

- Education and training opportunities
- Social and recreational opportunities
- Preparing for future employment
- Becoming an integrated community member

Over 20 community agencies will be on hand to discuss the services, resources, and programs they provide for young adults with disabilities as they prepare for life post-school. A variety of breakout sessions on various transition-related areas (*such as Alternatives to Guardianship, Differences Between High School and College, Post-High School Transition Services Options, Accessing Services and Opportunities through Vocational Rehabilitation and Community Mental Health*) will allow you to learn more about these topics and get answers to your questions.

Who should attend?

Students with a disability in grades 9-12 and post-high school, parents and guardians with a child with a disability in middle school, high school or post-high school, family members, teachers, school staff, and others who are interested in helping students transition to life after school.

Refreshments will be served. Childcare is not available.

For more information or questions, please contact Krista Krefeld-Freier, OAISD Transition Coordinator at kkrefeld@oaisd.org or 616-796-1517.

Hosted by Ottawa Area ISD Transition Network Team.
